¶122.5 PROVIDING FOR THE CONSIDERATION OF H.R. 1270

Mr. HASTINGS of Washington, by direction of the Committee on Rules, called up the following resolution (H. Res. 283):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 1270) to amend the Nuclear Waste Policy Act of 1982. The first reading of the bill shall be dispensed with. Points of order against consideration of the bill for failure to comply with section 306 of the Congressional Budget Act of 1974 are waived. General debate shall be confined to the bill and shall not exceed eighty minutes, with sixty minutes equally divided and controlled by the chairman and ranking minority member of the Committee on Commerce and twenty minutes equally divided and controlled by the chairman and ranking minority member of the Committee on Resources. After general debate the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on Commerce now printed in the bill. The committee amendment in the nature of a substitute shall be considered as read. Points of order against the committee amendment in the nature of a substitute for failure to comply with clause 5(a) of rule XXI or section 306 of the Congressional Budget Act of 1974 are waived. Notwithstanding clause 5(c) of rule XXIII, no amendment to the committee amendment in the nature of a substitute shall be in order except those printed in the report of the Committee on Rules accompanying this resolution. Each amendment may be offered only in the order printed in the report, may be offered only by a Member

designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. Points of order against the last amendment printed in the report of the Committee on Rules for failure to comply with clause 5(a) of rule XXI or section 306 of the Congressional Budget Act of 1974 are waived. The Chairman of the Committee of the Whole may: (1) postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be fifteen minutes. After a motion that the Committee rise has been rejected on a day, the Chairman may entertain another such motion on that day only if offered by the majority leader or his designee. After a motion to strike out the enacting words of the bill (as described in clause 7 of rule XXIII) has been rejected, the Chairman may not entertain another such motion during further consideration of the bill. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the committee amendment in the nature of a substitute. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommend with or without instructions.

SEC. 2. After passage of H.R. 1270, it shall be in order to take from the Speaker's table the bill, S. 104, and to consider the Senate bill in the House. Points of order against consideration of the Senate bill for failure to comply with section 306 of the Congressional Budget Act of 1974 are waived. It shall be in order to move to strike all after the enacting clause of the Senate bill and to insert in lieu thereof the provisions of H.R. 1270 as passed by the House. If the motion is adopted and the Senate bill, as amended, is passed, then it shall be in order to move that the House insist on its amendment to S. 104 and request a conference with the Senate thereon.

When said resolution was read.

Pending consideration of said resolution,

¶122.9 PRIVILEGES OF THE HOUSE

Mr. GEPHARDT rose to a question of the privileges of the House and submitted the following resolution (H. Res. 287):

Whereas, Loretta Sanchez was issued a certificate of election as the duly elected Member of Congress from the 46th District of California by the Secretary of State of California and was seated by the U.S. House of Representatives on January 7, 1997; and

Whereas a Notice of Contest of Election was filed with the Clerk of the House by Mr. Robert Dornan on December 26, 1996; and

Whereas the Task Force on the Contested Election in the 46th District of California met on February 26, 1997 in Washington, D.C. on April 19, 1997 in Orange County, California and October 24, 1997 in Washington, D.C.; and

Whereas the allegations made by Mr. Robert Dornan have been largely found to be without merit: charges of improper voting from a business, rather than a resident address; underage voting; double voting; and charges of unusually large number of individuals voting from the same address. It was found that voting from the same address included a Marines barracks and the domicile of nuns, that business addresses were legal residences for the individuals, including the zoo keeper of the Santa Ana zoo, that duplicate voting was by different individuals and those accused of underage voting were of age; and

Whereas the Committee on House Oversight has issued unprecedented subpoenas to the Immigration and Naturalization Service to compare their records with Orange County voter registration records, the first time in any election in the history of the United States that the INS has been asked by Congress to verify the citizenship of voters; and

Whereas the INS has complied with the Committee's request and, at the Committee's request, has been doing a manual check

of its paper files and providing worksheets containing supplemental information on that manual check to the Committee on House Oversight for over five months; and

Whereas the Committee on House Oversight, subpoenaed the records seized by the District Attorney of Orange County on February 13, 1997 and has received and reviewed all records pertaining to registration efforts of that group; and

Whereas some Members of the House Oversight Committee are now seeking a duplicate and dilatory review of materials already in the Committees possession by the Secretary of State of California; and

Whereas the Task Force on the Contested Election in the 46th District of California and the Committee have been reviewing these materials and has all the information it needs regarding who voted in the 46th District and all the information it needs to make judgments concerning those votes; and

Whereas the Committee on House Oversight has after over nine months of review and investigation failed to present credible evidence to change the outcome of the election of Congresswoman Sanchez and is pursuing never ending and unsubstantiated areas of review; and

Whereas, Contestant Robert Dornan has not shown or provided credible evidence that the outcome of the election is other than Congresswoman Sanchez's election to the Congress; and

Whereas, the Committee on House Oversight should complete its review of this matter and bring this contest to an end and now therefore be it:

Resolved, That unless the Committee on House Oversight has sooner reported a recommendation for its final disposition, the contest in the 46th District of California is dismissed upon the expiration of October 31, 1997.

The SPEAKER pro tempore, Mr. LAHOOD, ruled that the resolution submitted did present a question of the privileges of the House under rule IX.

Mr. SOLOMON moved to lay the resolution on the table.

The question being put, viva voce,

Will the House lay the resolution on the table?

The SPEAKER pro tempore, Mr. LAHOOD, announced that the yeas had it.

Ms. SLAUGHTER demanded that the vote be taken by the yeas and nays, which demand was supported by one-fifth of the Members present, so the yeas and nays were ordered.

The vote was taken by electronic device.

¶122.20 NUCLEAR WASTE POLICY

Pending the SPEAKER pro tempore, Mr. CAMP, resolving the House into the Committee on the Whole House on the state of the Union for the consideration of the bill (H.R. 1270) to amend the Nuclear Waste Policy Act of 1982,

¶122.21 POINT OF ORDER

Mr. ENSIGN made a point of order, and said:

"Mr. Speaker, I rise to make a point of order under section 425 of the Budget Act on the basis that the provision beginning on page 56, line 15 of said bill imposes an unfunded intergovernmental mandate on state governments,

"Mr. Speaker, the Congressional Budget Office states in its cost estimate of H.R. 1270, dated September 25, 1997, that H.R. 1270 contains intergovernmental mandates as defined in the Unfunded Mandates Reform Act of 1995 (Public Law 104-4). The Congressional Budget Office estimates that if this bill were enacted the New York Power Authority, a publicly owned utility, would be required to pay \$180 million in the year 2002. The Unfunded Mandates Reform Act set a threshold of \$50 million for 1996, annually adjusted for inflation. Therefore, the Congressional Budget Office estimates that these mandates would impose costs on state governments exceeding the threshold. Mr. Speaker, I demand a ruling by the Chair that sustains my point of order against H.R. 1270 because it clearly violates the Unfunded Mandates Reform Act that forbade unfunded mandates on state and local governments."

The SPEAKER pro tempore, Mr. CAMP, responded to the point of order, and said:

"The gentleman from Nevada makes a point of order that the bill violates section 425(a) of the Congressional Budget Act of 1974.

"In accordance with section 426(b)(2) of the Act, the gentleman must specify precise language in the bill on which he predicates his point of order. Having met the threshold burden to identify specific language in the bill, the gentleman from Nevada and a Member opposed each will control 10 minutes of debate on the question of consideration under section 426(b)(4).

"Pursuant to section 426(b)(3) of the Act, after debate, the Chair will put the question of consideration, to wit: 'Will the House now consider the bill?'

"The gentleman from Nevada is recognized for ten minutes and the gentleman from Colorado is recognized for ten minutes."

After debate,

The question being put, viva voce,

Will the House now consider the bill?

The SPEAKER pro tempore, Mr. CAMP, announced that the yeas had it.

Mr. ENSIGN objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present,

The roll was called under clause 4, rule XV, and the call was taken by electronic device.

Most notably, NASA researchers cooperating with the National Science Foundation found possible evidence of ancient microbial life in a meteorite believed to be from Mars.

In aeronautics, activities included the development of technologies to improve performance, increase safety, reduce engine noise, and assist U.S. industry to be more competitive in the world market. Air traffic control activities focused on various automation systems to increase flight safety and enhance the efficient use of air space.

Close international cooperation with Russia occurred in the Shuttle-Mir docking missions and with Canada, Europe, Japan, and Russia in the International Space Station program. The United States also entered into new cooperative agreements with Japan and new partners in South America and Asia.

In conclusion, FY 1996 was a very active and successful year for U.S. aeronautics and space programs. Efforts in these areas have contributed significantly to the Nation's scientific and technical knowledge, international cooperation, environmental health, and economic competitiveness.
